

SUZHOU GENESIS ACQUIRED GOST FIRE-RATED CERTIFICATES

Suzhou Genesis successfully passed the GOST fire certification for Russian fire-rated door and acquired certificates covering E30, EI30 and EI60, hence Suzhou Genesis has further enlarged our fire-rated doors' range.

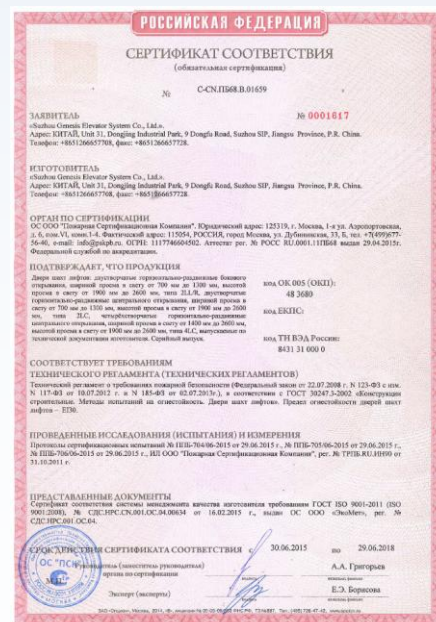

At present the fire-rated door certificates of Suzhou Genesis can cover and meet market requirement from countries of European Union, Singapore, UK, Australian, Russia and etc..

SUZHOU GENESIS WILL JOINTLY EXHIBITE WITH SANLUTION FRANCE AT INTERLIFT'2015

This Autumn, Suzhou Genesis will jointly participate in the International Lift Expo - Interlift 2015 with Sanlution France, which will be held from Oct 13th - Oct 16th in Augsburg Germany.

Since year 2007, Suzhou Genesis has continuously presented our products on Interlift fair, this year will be the fifth time of Genesis' presentation on Interlift, in a brand-new way, with Sanlution hand in hand. The joint participation in Interlift with Sanlution France is targeting to demonstrate high-quality product, technology, service and information basing on an European platform and window of Sanlution.
